

# Our Kindergarten Day

While no two days are alike, here is a snapshot of what we do throughout a typical day!

Time	Activity	We Are Learning
8:00–8:20	Morning Bins	Students greet each other and practice fine motor, language arts, and math skills through hands-on activities with classmates.
8:20–8:40	Worship/Bible	We sing songs, listen to Bible stories, engage in interactive activities to reinforce the Bible story, memorize Bible verses, and pray.
8:40–8:50	AM Routine	Students learn phonics, sight words, and math concepts through songs, poems, games, and activities.
8:50–9:10	Language Arts/Math	Students continue learning phonics and math concepts through a more in-depth lesson and time for individual, hands-on practice.
9:10–9:35	Writers' Workshop	The teacher will provide writing lessons that will guide the students as they make meaning in their drawing and writing.
9:35–9:55	Recess	Students are given an opportunity for outdoor or indoor interactive, unstructured free-choice supervised play.
9:55–10:15	Theme Time	We enjoy stories and activities related to our theme. Science, social studies, comprehension, and vocabulary concepts are taught in the context of our theme.
10:15–10:45	Reading Groups	The teacher provides reading instruction to small ability-based groups.
10:45–11:15	Choice Time	Students practice social skills as they interact with classmates in free-choice play in a variety of classroom centers.
11:15–11:30	Clean-up/ Closing Circle	Students learn to work cooperatively to clean up and take responsibility for their classroom. We end the day by focusing on social/emotional learning and with prayer.
