Principal's Message

This week we will be ending our third Encounter Bible unit “Entering the Homeland” in which the Israelites have crossed the Jordan River and taken the city of Jericho. Finally the long-awaited promise of a home for God’s people has materialized. In this unit we have discovered four important messages about how God shows his love for us:

1. God wants us to remember the amazing things He has done.
2. God wants to give us a lifeline and have faith that it will hold.
3. God wants to give us victory over our challenges.
4. God wants to help us feel loved and secure.

**“To increase
in wisdom
and stature,
and in favor
with God and
man.”**

Luke 2:52

The conquering of Jericho offered a taste of what home could be for the Israelites: a place of security and belonging where God would give them all their victories, but also a way of being with God. With God at their side, they had a mission — a purpose that was to bring them joy and fulfillment. This purpose was to share about their generous God with all those with whom they came in contact. They were to be a light to His goodness, faithfulness, and love.

God’s purpose for us has not changed. He is still at our side. He still so desires to fight our battles for us and to have us live and share out of the overflow of His goodness to everyone we meet. Prayers as you shine for Him this week! -K.R.

Office Announcements

- **If you've moved**, please notify the office with your current physical and mailing addresses. Thank you!
- **Reminder Snow/Ice Day Notifications** come through your JupiterEd linked email and mobile phone number. Please make sure that you have elected to receive text messages by checking your contact settings on your child's JupiterEd account.
- **Snow Gear** please consider sending your child a school set of snow gear to keep on hand. Students need boots, waterproof pants and coat, gloves and hat. *Please put your child's name on all gear!*
- **Earthquake & Emergency Snack Packs** still need to be completed and turned in for each student. Please enclose all items in a one-gallon Ziploc bag with your child's name written on the outside. Food items must be packaged for a long shelf life. The items listed below are suggested for each kit.

One toothbrush and small tube of toothpaste

Three 8oz. juice boxes or cans with pop-tops

Three 4oz. cans of fruit with pop-tops

Three small packages of dried fruit

Six peanut butter, cheese and cracker style packages

Six granola type snack packages
