

DIRECTIONS TO THE ANGEL CENTRE

14 Angel Place, Worcester WR1 3QN

If you already know the way to the Angel Centre, and where you can park, read no further!

If you haven't been there before, hopefully this will be helpful for you.

PARKING

There are a number of car parks to choose from. The nearest (and cheapest, as they only charge £1 on Sundays), is Crowngate. If you prefer an open air car park, there are other options too. You could also opt to park at Lindisfarne, and start the morning with a walk!

CROWNGATE	£1 all day on Sundays	5 minutes' walk
CATTLEMARKET by The Hive, open air	£2.70 for 3 hours	6 minutes' walk
NEWPORT STREET By Severn View Hotel, open air	£2.70 for 3 hours	8 minutes' walk
LINDISFARNE	Free!	20 minutes' walk

BLUE BADGE PARKING

If you have a Blue Badge, there are some parking bays in Farrier Street, just across the road from the Angel Centre (opposite Francini's Café). If they are full, you can also park on double yellow lines in Farrier Street for up to 3 hours, as long as you don't park obstructively. This is only a very short walk to the Angel Centre.

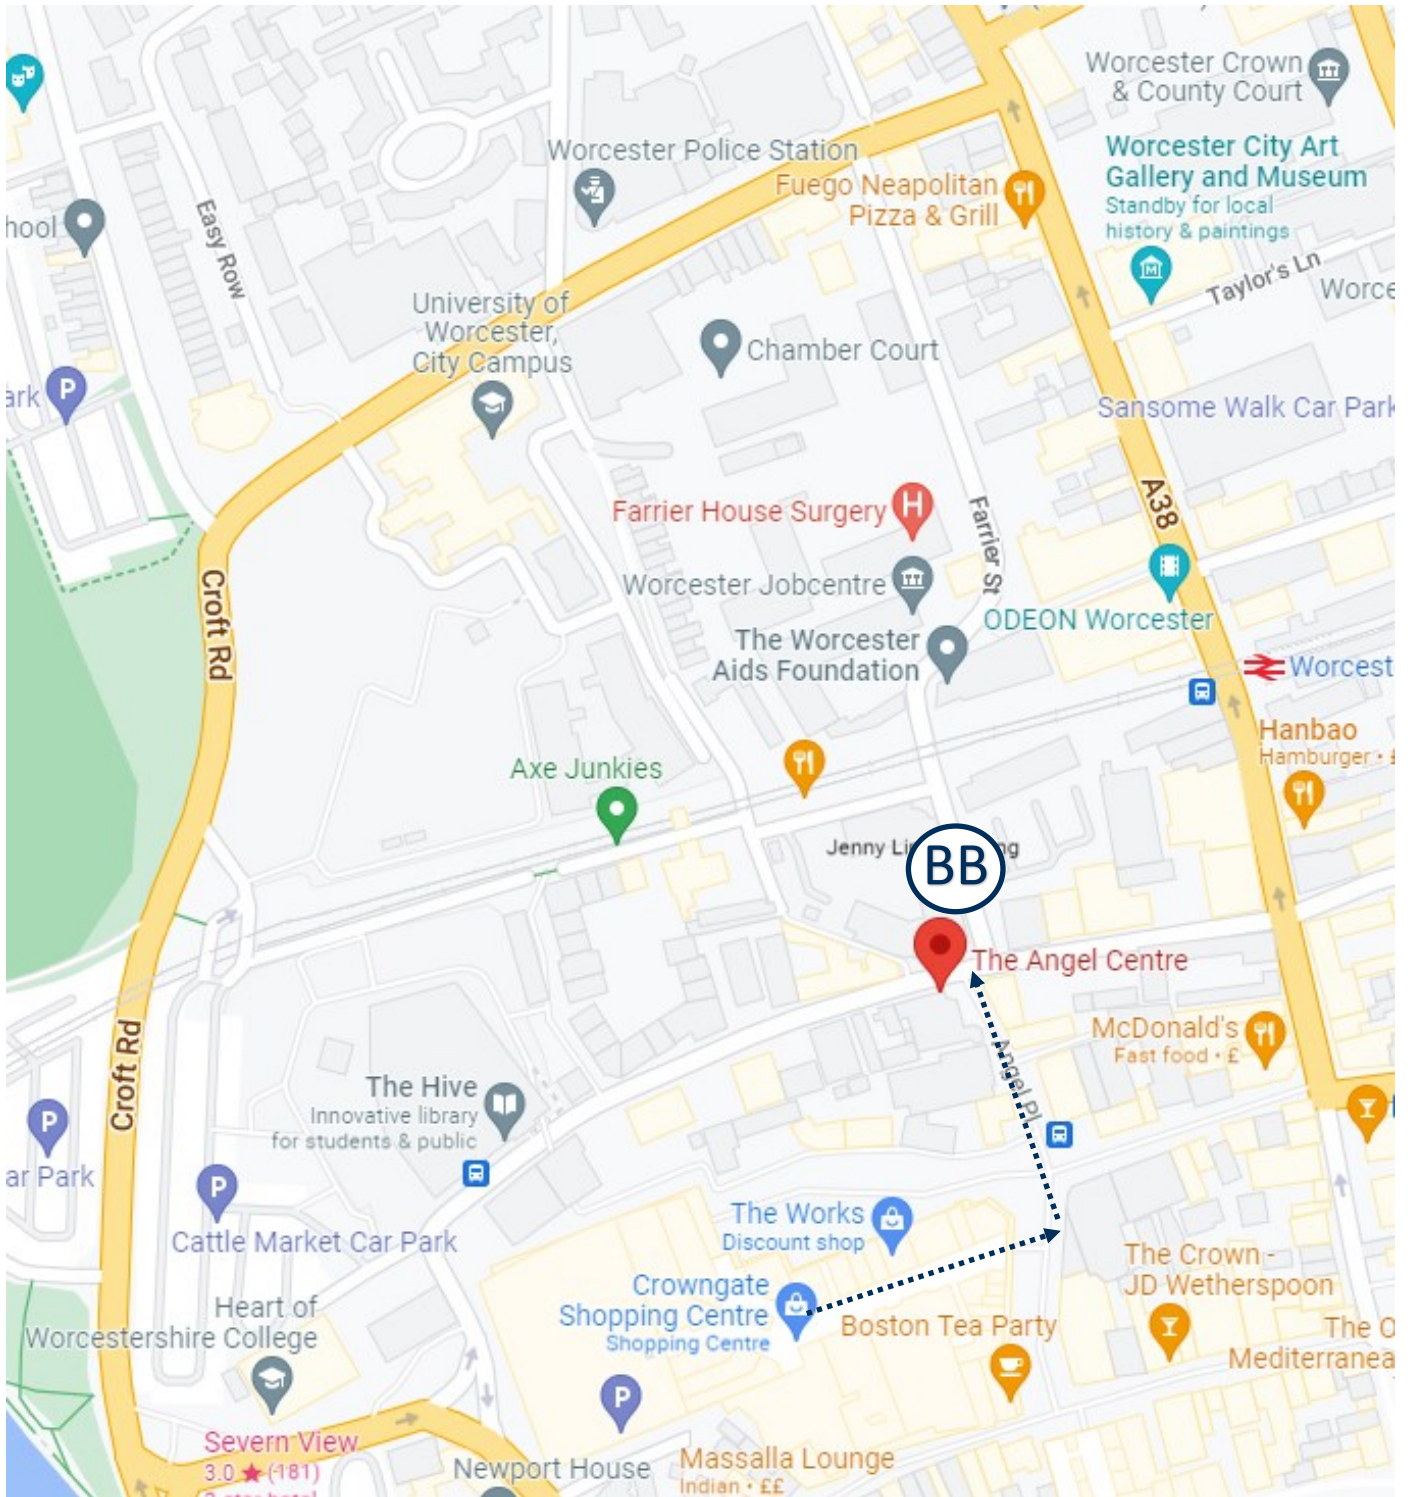

DIRECTIONS FROM CROWNGATE CAR PARK TO THE ANGEL CENTRE

Come out of the car park using the exit that goes into the shopping centre. Go straight on through the shopping centre, passing the escalators and Ryman's, and go out through the exit by Vision Express, leading into the market place.

Turn left, and go straight on towards The Butts. The Angel Centre is at the end of the road, on your left, at the junction with The Butts, and opposite Francini's Café.

This will only take you about five minutes.
