

**MURPHY ADVENTIST CHRISTIAN SCHOOL
PERMISSION TO
PLAY OUTSIDE FENCED AREA**

Because our PreK-Kindergarten facility is a “Child Care Facility”, the children are required to play inside a specified, fenced play area. However, with a signed permission slip from the parent in the child’s folder, the children will be able to play on the main playground with the rest of the school children. For their safety, the PreK-Kindergarten children will not be able to use the large play equipment, i.e. swings, teeter-totters, slide, bars, and climber, on the main playground.

My child, _____, has my permission to play outside the fenced play area.
