“

*Last year I had to update my car insurance. I spoke with a belairdirect agent and they mentioned they can “combine” both home and car insurance to make my life easier. On top of making the management of two insurance policies more streamlined, I was pleasantly surprised that through the Squash BC Partnership, I would also receive monetary savings.*

*Those savings translated to more than the cost of my annual Squash BC membership. To me this transaction was a win-win. I can make use of my member benefits from Squash BC, save money and support Squash BC’s growth at the same time.*
