The background of the entire page is a stylized American flag. The top left corner shows the dark blue field with white stars, while the rest of the image is dominated by the red and white stripes, which are rendered with a soft, glowing, and slightly blurred effect. The overall color palette is warm, with a gradient from deep red at the top to bright yellow and orange at the bottom.

The Call to Duty

*A call to duty is sent out
And the strong and the brave reply.
They do it for love of country,
So there's never a need to ask why.*

*They leave behind all that they love,
Their families, their homes and their lives,
Because to preserve these precious things
Is the goal for which each soldier strives.*

*So God bless our troops,
The courageous women and men,
Who fight to make sure
The bells of freedom peal again.*

To My Husband

*Thank you for your endless love
That helps me through each day —
And thank you for the memories
that never fade away.*

*You're the man I loved
And I was proud to be your wife —
And every day in some small way
I celebrate your life.*

*And though it's sad to think about
The way things were before —
When we're reunited
It will be forever more.*
