2018 was the 36<sup>th</sup> running of the Victorian Open Racquetball Championships, the longest running racquetball tournament in Australia. A big thankyou to all our sponsors above, as without their contributions this tournament would not be possible.

This year the Men's Open event was dominated by the 2017 National and Victorian Grand Prix Circuit Champion Steve Andrewartha, and the Ladies Open was again dominated by the now 7 time winner Sarah Fitz-Gerald.

Congratulations to both those players and all who played in this year's tournament and we hope to see you all again at next year's event.
