Some of you may have noticed that the amount listed on the back of the bulletin as "Needed Monthly" for our church mortgage has changed. If you recall, we had a church business meeting in October of last year and voted to Re-Amortize the remaining balance of the current loan, which has resulted in a new monthly payment of \$958/month. I would like to encourage you to continue to give at the same level so that we can pay the mortgage off quickly. Please do not think that because we have a new and lower payment that we can decrease our giving. We are still in debt for our wonderful new building and that debt is hindering us from greater ministry in our community. Thank you for your faithful giving to the church mortgage over the past several years! ~Pastor Ryan
