THE CHURCH AT STUDY

December 08, 2018

9:30 a.m.

Sabbath School Corner: Ignorance will not excuse young or old, nor release them from the punishment due for the transgression of God's law; because there is in their hands a faithful presentation of the law and its principles and claims. It is not enough to have good intentions; it is not enough to do what a man thinks is right or what the minister tells him is right. His soul's salvation is at stake, and he should search the Scriptures for himself. However strong may be his convictions, however confident he may be that the minister knows what is truth, this is not his foundation. He has a chart pointing out every waymark on the heavenward journey, and he ought not to guess at anything. GC Page 598.

Stewardship Corner:

If those to whom God's money has been entrusted will be faithful in bringing the means lent them to the Lord's treasury, His work will make rapid advance. Many souls will be won to the cause of truth, and the day of Christ's coming will be hastened.
