

# Kindergarten Class Supply

List Here at Redwood, we are dedicated to giving your child the best education possible, while keeping your child safe and healthy. Due to COVID-19 and the concerns this year's supply list is different. Instead of supplies coming in from many different areas, I would like to be able to buy the supplies from the same places in order to keep them as ready as possible for your child. There is an additional charge for kindergarten of \$45. This money will cover the supply list at the bottom of the page. All supplies and rain pants, except for Lysol Wipes and tissues, will be your child's for this year. At the end of the year they will go home with your child as their own. There are several things that are not included in the charge that I ask you have for your child. These three things will help their forest kindergarten experience. If you have any questions please don't hesitate to email me at [svandevere@weloveredwood.com](mailto:svandevere@weloveredwood.com).

Rain Pants - \$20
