God gave us an angel, a sweet, baby girl.
He gave her to us... 10 little fingers, 10 tiny toes.
God gave us an angel who could light the dark.
He gave her to us to hold deep within our hearts.

God gave us an angel.
This perfect baby girl.
He gave her to us to change our whole world.
God gave us an angel,
A special gift he gives few.
He gave us an angel and our lives were made new.
God gave us an angel.
Though only for a while, He let us keep memories
that will always make us smile.
God gave us an angel.
Her time was only for show.

He gave us an angel; we didn't know we'd have to
let her go.

God gave us an angel; this we know is true.
Our lives can never be the same, all because of
you...

In Loving Memory
