Obituary

Patrica Ann Hardy - Reynolds was brought into this world to the late Geraldine and Bishop Lewis Hardy on May 18, 1964. She received her wings on March 4, 2022.

Patrica more affectionately known as Trish was born in Detroit, Michigan and was the sixth of seven children. She attended the Detroit Public School System where she graduated from Detroit Central School with the class of 1982. During her tenure at Central she made history being the first girls soccer team. She also was apart of the newspaper and played rugby.

After High School she attended Macomb Community College until deciding to attend nursing school to become a Licensed Practical Nurse at JTPA. Her career spanned over 25 years working for Sinai, Wayne County Jail and numerous nursing homes and rehabilitating facilities.

There were many things she loved to do but she had a strong interest for the arts. She loved to sing, listen to all genres of music, read, write poetry, and short stories. To truly know her is to know that she will be forever associated with things: the color purple and her love for Prince. She also loved the Lord and kept close to her church roots and accepted Christ at an early age.

She was the mother to four amazing children Sabella, Charles Anthony, James Joseph, and Taylor. Her daughter Ashley Elaine preceded her in death.

Other family members who preceded her in death were her parents Lewis and Geraldine. Sibling Lewis Jr., Elaine, Anthony and Lisa Hardy, and nephew Camyrin Hardy.

She leaves to cherish her memories with sibling Geoffrey Von, Lee Earnest, Charleen (sister-in-law) and Michelle Nolan, Aunts Linda Faye (John), Elouise and Catherine. Nieces and Nephews Corey, Karkeyetta, Veronica, Diana, Alexis, Lewis, (Tanika), Anthony, Colby, Jamarcus, Nygil, and Lee. A host of great nieces and nephews, close cousins, family, and friends.

She will always be remembered and deeply missed. Her candor, strength and personality were one of a kind. Until we meet again get your rest sweet soul.

What can I say that has not already been said? I know from the heart you are an excellent mother and wholesome individual, who took the common good of people into your heart and you gave back 1000 - fold. No matter how long I will live with my brother and sisters you will always be with us as we are the pinnacle of your teachings and love that she gives to us everyday. You did a phenomenal job with raising us, and we will walk the path of righteousness and hope because of you mom. Do not be afraid, as we have something that care never be broken as you mended the bond we have shared. You did good by us mom and I am forever grateful.

Love Always Charles

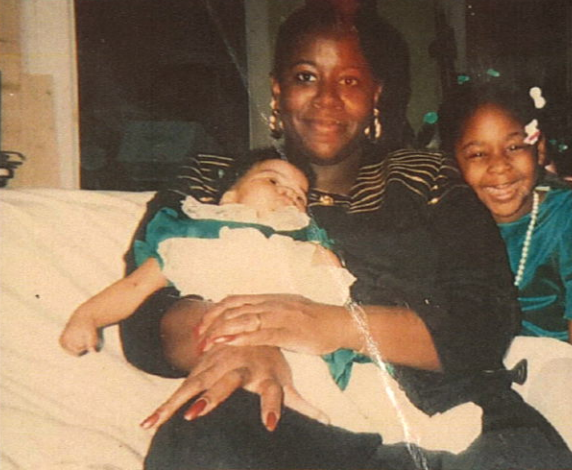

The reflections of a mother will always be embedded in her daughters. The love, life lessons mistakes and strength are just some of the values that have been instilled and will continue to mold us we began this journey without you. The memories, stories and bond will never be broken. We all wished we had more time because there was so much more to be seen but your assignment has been fulfilled. We pray that you are at peace. A phenomenal women you were, and we will revel in the fact that you were ours. Forever our Lady.

With Love, Your Girls Bellz And Tay

To my lotus flower,

I know that we never expected for this to happen so sudden, but I am at peace knowing that you are no longer in pain, Even though it hurts that you will never get a chance to see us achieve the things you dreamed of us doing, I am glad you are free, and pain no longer exists for you. No matter where we go, I hope you can watch over us and that your presence is felt when we need it most. I really hope you are happy, at peace and are guided to a place where you are with the ones you love. Let the light of love and the air of peace consume you in the best way it can. Until we meet again.

My best friend, my sister
Looking back we were supposed be
to apart of each other life's. You
taught me that woman can do
anything. We did some crazy stuff,
like you steering the car from behind
me and I worked the gas & brake
while putting on stockings. Then I
became Sis - in law, had no ideal Ant
was going to be the love of my life. I
remember all the secrets and all the
things we were in cohorts with.
Love and missing you dearly 1 of the
3 musketeers.

The Lord is my shepherd,
I lack nothing.

He makes me lie down in green
pastures, he leads me beside
quiet waters,

he refreshes my soul.
He guides me along the right
paths for his name's sake.

Even though I walk
through the darkest valley,
I will fear no evil,
for you are with me;
your rod and your staff,
they comfort me.

You prepare a table before me
in the presence of my enemies.
You anoint my head with oil;
my cup overflows.

Surely your goodness and love will
follow me all the days of my life,
and I will dwell in the house of the
Lord forever.
