Kitchen:

In the experience of Philip and the Ethiopian is presented the work to which the Lord calls His people. The Ethiopian represents a large class who need missionaries like Philip, missionaries who will hear the voice of God and go where He sends them. There are those in the world who are reading the Scriptures, but who cannot understand their import. The men and women who have a knowledge of God are needed to explain the word to these souls. {8T 58.5}
