

If I had only known the last time would be the last time
 I would've put off all the things I had to do
 I would've stayed a little longer, held on a little tighter
 Now what I'd give for one more day with you
 'Cause there's a wound here in my heart where something's missing
 And they tell me that it's gonna heal with time
 But I know you're in a place where all your wounds have been erased
 And knowing yours are healed is healing mine
 The only scars in Heaven, they won't belong to me and you
 There'll be no such thing as broken, and all the old will be made new
 And the thought that makes me smile now, even as the tears fall down
 Is that the only scars in Heaven are on the hands that hold you now
 I know the road you walked was anything but easy
 You picked up your share of scars along the way
 Oh, but now you're standing in the sun, you've fought your fight and
 your race is run

The pain is all a million miles away
 The only scars in Heaven, they won't belong to me and you
 There'll be no such thing as broken, and all the old will be made new
 And the thought that makes me smile now, even as the tears fall down
 Is that the only scars in Heaven, yeah, are on the hands that hold you
 now

Hallelujah, hallelujah
 Hallelujah, for the hands that hold you now
 There's not a day goes by that I don't see you
 You live on in all the better parts of me
 Until I'm standing with you in the sun, I'll fight this fight and this race
 I'll run

Until I finally see what you can see, oh-oh
 The only scars in Heaven, they won't belong to me and you
 There'll be no such thing as broken, and all the old will be made new
 And the thought that makes me smile now, even as the tears fall down
 Is that the only scars in Heaven are on the hands that hold you now
