You're Invited "Back to the 80's"

By Elijah Krueger & Tiffany Stratte

Are you ready for the YACS Talent Show? I know the Student Association is. We have been planning this year's Talent Show, and it is going to be awesome!

This year's Talent Show will be Thursday, February 21 at 7 p.m., and the Student Association has picked the theme of "Back to the 80's." We are going to have a couple of MC's up on stage telling jokes and introducing acts, and the teachers' piece at the end will be amazing! We have been blessed in the past with a wide variety of talents from our students, and we know this year will bring some impressive acts you won't want to miss. It will be a very memorable evening, so mark it on the calendar now!

Each year, the Student Association looks for YACS students to participate in a great night of talent and fun, and we're starting that search now! The first audition is on Wednesday, February 6, from 3:30-4:30 p.m., and a sign-up sheet for the audition slots will be in the lobby next week. That means you need to get your act ready! There will be two more audition dates if we still have slots for more great acts, but better sign up early!

If you're interested in being in the Talent Show and looking for ideas of what you could do, think of something like singing a song, playing a musical instrument, acting in a funny skit, or just be creative and come up with something totally different! If standing in front of a bunch of people by yourself sounds scary, don't worry; it doesn't have to just be you. Your classmates or teacher can be a part of the act, or you can get your parents' help, too. Talk to Mrs. Carey or Mrs. Stratte if you want feedback on an idea, or sign up next week for a spot to audition and start practicing!

See you soon!
