2021 Executive Summary

VegBox founder, Chef Roberta Lowe, had a goal to become a restaurateur offering amazing plant-based food that would wow the customers' experience. Her first step in realizing this goal was acquiring and operating a part-time mobile food cart under the brand of Roe's Sandwiches, LLC. Ms. Lowe's long-term goal was to expand the business to a dine-in restaurant that offers catering. In 2014, she expanded her business by offering a full-service catering business named "Blossoms Events and Catering LLC" to fit the new market she was serving.

The new company, VegBox, provides plant-based dishes that are fresh, fast, healthy, and have amazing flavor with the convenience of being a complete meal in a box. Today, our founder, the trained Vegan Chef Roberta Lowe, a pioneer in the vegan movement saw the need in her local community for a fast-casual restaurant experience focusing on amazingly seasoned whole plant vegan dishes. So the VegBox was born. At VegBox, we provide plant-based dishes that are fresh, fast, healthy, and tasty, with the convenience of being a complete meal in a box.

The problem we are solving is, often individuals forfeit healthy options for unhealthy options because it's quicker and more convenient. We understand that issue and our solution is a fast-casual restaurant that offers a unique menu based around individuals or groups to get a quick meal that gives them the option of having a fulfilling, healthy, deliciously flavor dish as quickly as you can get a gourmet burger.

In the following year-end report, you will find Annual Financial Statements which consist of a Balance Sheet, Profit and Loss Statement and Cash Flow Report showing the current financial position of Blossoms Events and Catering, LLC.
