

*My True -Love
Hath My Heart*

*My true-love who has my heart, and I have his,
By just exchange one for another given:
I hold his dear and mine he cannot miss,
There never was a better bargain driven:
My true-love hath my heart, and I have his.*

*His heart in me keeps him and me in one,
My heart in him his thoughts and senses guides:
He loves my heart, for one it was his own,
I cherish his because in me it bides:
My true-love hath my heart, and I have his.*

-Sir John Philip Sidney

My Wildflower Garden

*I have a garden,
A wildflower garden
With color and blossoms everywhere.
And in my garden,
The hummingbirds flit here and there.
I love my garden,
My wildflower garden-
It makes me happy all day long
Because my garden,
My wildflower garden,
Sways in the wind as I sing this song.*
