

The Quilt

I walk in the door and into your embrace,
and all at once I am home.
The warmth, the peace is
unlike anywhere else.
Your smile, your hands, your joy unfiltered.
You are the safest place my heart can be.
You use your quiet strength to cut and sew
magic and healing, stitch by stitch,
for all of us.
Without expectation, without exception.
You wrap us up one by one
in your love that you have pieced together,
stitch by stitch year by year,
with every color, with every laugh,
every tear, every heartbreak,
and every last bit of joy.
You pieced together the most beautiful life,
quilted with more love than we
could ever have imagined,
with a love big enough to hold us all.
You wrapped us in that love
where we will always stay.

Julie DeCoria
