

Butterflies in the breeze

The butterflies in the breeze,
The whisper through the trees,
The crinkle on the leaves,
Was it you?

The sparkle on the stream,
The murmurs in my dream,
The efforts for your team,
Was it you?

The beauty that beguiled,
The sound of the wild,
The giggle of my child,
Was it you?

The fragrance in the flower,
The rainbow after the shower,
The chiming of the hour,
Was it you?

The bobbing of the bird,
The softly spoken word,
The "love you" that's unheard,
Was it you?

I know it was you,
ALWAYS.

Aurora Christina Beck, passed away unexpectedly at the age of 15 on November 20, 2023 in Panguitch. She was born on July 28, 2008 to Richard and Mary Kathallen Beck. Survived by her siblings Jazmine Bence, Aireal Beck, Dayton Beck, and her nephew Brooks Bence. Preceded in death by her mom, Mary “Kathy” Beck.

Aurora was a sophomore at Panguitch High School and was a second year cheerleader, she loved being a part of the cheer team. Aurora had the most contagious smile and laugh. She had a huge personality and was always putting others before herself.

Aurora was incredibly close to her brother, Dayton. They always enjoyed joking around, playing video games and drinking a variety of soda together.

Aurora always loved different cultures and was going to attend college to become an English teacher in Korea.

Aurora liked a wide variety of music, especially Kpop, she always forced her father and nephew to listen with her. "We all know they secretly enjoyed it."

Not only was Aurora a girly-girl enjoying cheerleading, dressing up, painting her nails, and makeup, but she also enjoyed riding 4wheelers, going mudding, and riding horses (only when her sister Aireal made her participate).

Aurora was afraid of fish and frogs but she loved snakes. She had two pets a dog and a cat that slept with her every night, she was always an animal lover.

Aurora enjoyed watching movies, singing in the car, and dancing which she excelled at.

Aurora was incredibly loved and will always be missed. She was the most kind and beautiful person that you could ever know. We were all incredibly blessed to be a part of this beautiful young girls life. She gained her angel wings way too young and will forever be in our hearts.

A special thanks to Panguitch High School for the use of the auditorium. Thank you to the Panguitch community for all their love and support during this difficult time.
