

EnviroX's E2B2™ dispensing system delivers simplicity, savings and amazing results with a complete line of cleaning products.

E2B2™ Dispenser

- Delivers one product at two dilutions = 95% of all cleaning.
- Easy-to-use dispensing system is color-coded for quick training.
- Easy bottle loading.
- ASSE 1055B-certified backflow prevention.
- 2 dilution, high and low flow dispensing for bottles, buckets and auto-scrubbers.
- Small footprint - 9.5" w x 18"h (empty)
- Reusable, high quality DEMA® construction.

Simplicity.

- One product at two dilutions = 95% of cleaning.
- Safer, healthier products are practically impossible to misuse*.
- Reduce surface damage and staff injuries while improving occupant health and wellness.
- Easy training with color-coded illustrations to show exactly where to use the cleaners – overcoming any language barrier.

Savings.

- Dilution control delivers the correct in-use cost per gallon, preventing chemical misuse – **less wasted chemical means more money in your pocket!**
- Replace and consolidate expensive cleaners with a single product. Focus on in-use product cost and discover big savings. Ask for your cost comparison today!
- Easy, quicker training means less time and money spent.

Amazing Results.

- Proprietary, unique Pure Crafted® technology gives you incredibly versatile cleaning power. One of our multi-purpose products cleans glass, grout, carpet, stainless steel, grease, hard floors and more!
- Let us show you Pure Crafted® technology in action. **Ask for a demo on grout, glass and carpet.** Same product, 3 incredible results.

*Most EnviroX in-use products, when diluted correctly, are safe on any water-safe surface. Use as directed.
