All of our instruments are new or are rental returns that carry a new instrument warranty. We also offer an optional insurance program which we call our Maintenance and Replacement Plan (M&R). This will cover any repair work necessary to maintain excellent playing condition and will provide insurance against destruction or theft of the instrument during the life of the contract.

From the beginning of the school year (August) to October 15 our instruments will be rented only to Oxnard, Hueneme and Camarillo area residents. We have limited instruments available and must service our local students first.

Here are the requirements for instrument rental
1. Must agree to a 4 month minimum
2. Must be a parent or legal guardian
3. Approved credit application required
4. Must agree to auto pay monthly using a Visa or MasterCard

We look forward to your visiting one of our stores in the near future. If you have any questions, comments or suggestions, please feel free to give us a call at one of our locations.
