

## **Prayer and Praise**

Week of July 12 through July 20, 2014

---

### **Our Father, We pray the prayer of intercession for your loved ones...**

**We pray for Matthews and Kristina Pastors'** whose baby is due any day.

**We remember all our parents,** both those expecting babies and those raising children or youth.

**We pray for Maria Nehls** who has had cataract surgery and will face the second cataract surgery soon.

**We pray for our Vacation Bible School July 20-24.** This is one of two major child evangelism events Piedmont Park does each year. We pray for the children. May they see Jesus and may they come to love Him more.

**We pray for a successful fund raiser at "Cherry on Top" on July 28** that will go to benefit our members who are in financial need.

**We continue to pray for the building expansion project.**

### **Father we praise you for answering our prayers:**

**We thank you that Andy and Stephanie Ponce's baby daughter** has arrived safely.

**Thank you for Don Schlegel's 80<sup>th</sup> birthday on August 30.** Happy birthday cards may be sent to Don Schlegel P.O. Box 6454 Lincoln, NE 68506. The cards will be gathered up and given to him at his birthday celebration on August 30<sup>th</sup>.

**We thank you that the graffiti** placed on our church building last week was not too serious and that it was able to be repaired.

**We thank you for placing it on the hearts of people to help with the funds** needed to complete the Piedmont Park building expansion project.
