

*As I sit here thinking about so many things,
I thought about my mother, and all the Love she brings.
She's always giving and sacrificing, spreading love all around,
There is no other Mother like the one that I have found.
If I could be like you, Mother, how happy I would be.
My heart would fill with gratitude, and everyone would see.
I love you, Mother, so very much, from the bottom of my heart.
And as each day passes, our love shall never part.*
