Seventh-day Adventists believe that the Bible is God's Word, and that the greatest need of every person is to know Jesus as a personal Savior.

We believe His sacrificial death provides salvation to all people, and that when His work of intercession is concluded, He will come again in power and glory to claim those who have submitted to Him as Lord and King.

We believe that through His forgiving and transforming grace, sinful habits will not have dominion over people.

We believe that all humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe.

We believe that the fourth commandment of God's unchangeable law requires the observance of the seventh-day Sabbath as a day of rest, worship, and ministry, and that it is a symbol of our redemption in Christ, a sign of our sanctification and a token of our allegiance.
