

All About Jesus - Revival Seminars

Revival Seminar Presentations Summarized

Can We Be Friends?	God Himself wants to have a meaningful friendship with us. In fact, He is more interested in us than we seem to be in Him.
It's Who You Know!	Christianity is not about what you do, but Who you know –and Who you know will change what you do.
Born Twice	All need to be born of the Spirit. It is His job to bring us to conversion, but if we lift Jesus up, the Holy Spirit will draw us more quickly into the second birth.
Blessed Assurance!	The majority of Seventh-day Adventists lack assurance of salvation. Our assurance is based on relationship, not behavior. Jesus promises to save and cleanse if we abide in Him.
Recipe For Bread	Jesus (in His Word) is the Bread of Life. The devotional life is how we “eat” that Bread.
The Answer Is Prayer!	Prayer is foremost for communion with God, and it is two-way, if we are still enough to listen.
Gotta Tell Somebody!	God shares with us the privilege of serving and telling others about Him, for our own good and happiness.
Dealing With Failure	Victory and overcoming are gifts the Spirit gives to those who by beholding Jesus, are changed into His likeness.
This Is War!	The enemy will do everything possible to prevent or hinder us from daily seeking Jesus. There are three weapons available to us that are especially useful.
Comforter and Friend	Our friend the Holy Spirit, is deeply committed to our spiritual growth and usefulness!
Surviving a Revival Seminar	Suggestions for individuals and churches wishing to insure that the flame of revival grows brighter instead of fading away.
Homecoming!	It is good to be reminded of why we are Adventists. What will it be like to finally go Home?
Is Jesus Enough?	A conclusive demonstration that making and keeping Jesus central will satisfy every personal and corporate need!
