Only God Knows Why

God saw the road was getting rough

The hills were hard to climb,

He gently closed those loving eyes

And whispered, "Peace be thine".

The sleepless nights are passed,

The ever patient worn out frame

Has found sweet rest at last.

God saw I was getting weary,

So, he did what he knew best.

He came and stood besides me

And whispered, "Come and Rest."

I bade no one a last farewell

Not even a good-bye.

I was gone before you knew it

And only God knows why.

I'll sleep on, too, dear family I love,

For I have gone to take my rest

*I know you loved me, but God loved
me best!*

Until We Meet Again

Alone in my darkness I still see your face,
sometimes your presence and your warm embrace.

I look 'round the house; it's calling your name,
but nothing I see here quite feels the same.

I then feel a shiver run right down my spine.

I hear you say, "Baby, everything is fine."

"I'm here watching over you; I'm right by your side.

The rough and the smooth I will gently guide,"

so I close my eyes and I see you smile,

and I can see you for a while,

and I know one day that we will meet

together forever, our journey complete.
