

WELCOME TO YOUR NCBTMB DASHBOARD!

Due to Covid-19, please be aware that some background checks are taking longer than usual due to states and/or counties that have closed courts or restricted access.

If you have submitted your renewal application and have not received your certificate, we may be experiencing delays due to background checks. In some cases, we may be able to provide you with a provisional certification letter if needed. Contact us at info@ncbtmb.org.

Click on the program below to view your account details, such as ID Number, Expiration Date, and more. Utilize the **Quick Links** menu (left) to access applications, request forms, and more.

Please verify your Personal Information—including your email address—by clicking "Communications Management" on the left. **All future NCBTMB communications regarding your account will be sent via email.**
