

### *A Silent Tear*

*Just close your eyes and you will see  
All the memories that you have to me  
Just sit and relax and you will find  
I'm really still there inside your mind*

*Don't cry for me now I'm gone  
For I am in the land of song  
There is no pain, there is no fear  
So dry away that silent tear*

*Don't think of me in the dark and cold  
For here I am no longer old  
I'm in that place that's filled with love  
Known to you all, as "up above"*
