

## *Acknowledgement*

*The family of Charlena Johnson wish to extend our sincerest appreciation to our many friends and family for all acts of kindness, expressions of sympathy and comfort shown during these hours of bereavement. Your generosity of giving and sympathetic understanding, has provided us with great strength, and aided us to lighten our heavy burden at this time. May God bless each of you.*

### *Mother*

*When I think of the word Mother Hero comes to mind. Hero by definition is someone who is admired by many people for doing something brave or good. Most people may believe that hero's are male, but you mother are the epitome of what a hero is. Since birth all I've seen is you in your heroic state, Never allowing for us to fail, picking up the pieces, and never complaining. Words can't express how grateful I am to have been blessed with you as my own personal hero. I know that days will be hard, and that there will never come a day that I don't miss you. I will try my best to hold on to all those times you were in your cape rather we noticed it or not. My prayer is that you know how loved you were and still are, how appreciated you were, and how much we wish for just one moment in time we could have been your hero. It's true when they say heroes never die; as we will carry you everywhere we go. In the hopes that we are making you proud while sharing your legacy for years to come.*

*We love you, We miss you !! til we meet again*
