

BLUE MOUNTAIN  
SEVENTH-DAY ADVENTIST  
ELEMENTARY SCHOOL

October 12, 2018, 2018

Vol. 2/Issue 7

Friday, Sunset: 6:28 pm

### TALENT SHOW

BME is having a talent show on Sunday, October 14 at 5 pm. Anyone who wants to participate should contact Gina Fuhrmann at [ginafuhrmann@outlook.com](mailto:ginafuhrmann@outlook.com). The cost of the ticket is \$8 per person (*includes show and meal*). **There will be prizes for the winners!** There will also be items for auction. Parents, please invite your family, neighbors and friends to come out and have fun, while supporting us. See you Sunday.

### OUTDOOR EDUCATION

Grades 1-8 will be going on a trip to the Great Swamp National Wildlife Refuge in New Jersey on Thursday, October 18. The cost of the trip is \$11. Parents please sign and return the permission slip by Monday, October 15. If you can help transport students, please let us know ASAP so that we can plan adequately. Thanks in advance for your cooperation.

### STEAM DAY

On October 21, BMA is having a STEAM day. BME students in grades 5-8 are required to attend. They will be learning and participating in activities all day. BME is using this a Sunday School day so while grades 5-8 are at BMA, grades 1-4 will be in school from 7:45-3:00 PM. They will be doing normal school things but with an emphasis on STEM activities. More information will be coming home this week about STEAM day at BMA.

### END OF QUARTER

Can you believe it? The first quarter will end on **October 23**. Parent-Teacher conferences will be by appointment beginning October 30. Please contact your child's teacher to schedule an appointment as soon as possible. Ms. Gravatt's number is 973-271-7348. Mr. White's number is 931-881-6141.

### PIANO LESSONS

Parents, if you are interested in private piano lessons for your student(s), please contact Mrs. Trina Murphy as soon as possible to make arrangements. She has already begun giving lessons to some students here at BME.

### EDUCATION SPOTLIGHT

**Grades 1-4:** Remember to get in permission forms and funds for our October 18 field trip. Fridays are a fun wrap-up time for our class. The students have the opportunity to say their weekly memory verse, take their spelling test, play recorders for music, learn Spanish, and improve their artistic abilities for art class. If you want

to help them sharpen their math skills, which will stick with them throughout life, reinforce the basic operational skills (adding, subtracting, multiplying, and dividing)...**Mr. White**

**Grades 5-8:** Some of the highlights this week. One of Ms. Mina's colleagues came to the Principal's Council in her Alpha Romero. When she returned Ms. Mina to school, we used her car for a photo-op. Rainy weather interrupted Thursday's hike. We made the best of it by riding on top of the ridge behind the school along the PA Game Land road and walked or ran down the road. It rained harder, so we modified our plans and went to Cabela's to see the fish and the museum-like animals throughout the store. A special thanks to Mrs. Ingram and Mrs. Furhmann for providing extra wheels to make our day possible. Here are some pictures of all the fun we had...**Ms. Gravatt**

## FACTS

Tuition is due on the 25th of each month.
