Grade 11 Graduates
Good-bye to you all. We will miss you but understand that you must experience your next stage in life.

Final Report Card
Student Reports will be on COBA June 29, 2018

Promotional Materials
We have some flyers for general promotion and one specifically for our <u>Kindergarten Program</u>. Please take a flyer from the school entrance to share with family and friends with school-aged children. Word of mouth is the best marketing tool so please help your school.

Seventh-day Adventist Church Visits
Our staff is scheduled for visits to promote our school. We hope for increased enrolment in Christian education.

Collection of Fees
In our recent school board discussions, the importance of collecting all school fees has been highlighted. Consequently, the section of the handbook related to school delinquent accounts being referred to a collections agency will be enforced. (***School Handbook p.9).*** As this is not our preferred method of collecting fees, please be sure to keep up with your payments, especially if this is your child's last year of school. **Grade 11 Graduate Families** need to pay special attention to this. Thank you for helping us to uphold our school handbook.

Lost and Found
Students are to look in lost and found bags in the school cafeteria for lost items. Any items that remain after the last day of school will become donations to local charities.

Thank you High School Teachers
