## What does “stewardship mean?”

- It’s about listening to God and reflecting on what we hear...
- It’s how we respond to God’s abundant gifts to us...
- It’s a part of thoughtful and proactive choices we make for the future of our church...
- It’s part of who we want to be as a community of Christians...

And, in its best sense, it is both thanksgiving and celebration.

*Stewardship is: “All we do, with all we have, all of the time!”*
