Never Forgotten

You'll never be forgotten
That simply cannot be.
As long as I am living,
I'll carry You with me.
Safely tucked within my heart
Your light will always shine;
A glowing ember never stilled,
Throughout the end of time.
No matter what the future brings,
Or what may lie ahead,
I know that you will walk with me
Along the path I tread.
So rest my angel, be at peace
And let your soul fly free.
One day I'll join your glorious flight
For all eternity.
