Celebrating the Life of

Thelma Williams Gorman

God's Garden

*God looked around His garden
And He found an empty place
He then looked down on this Earth
And saw your tired face.
He put His arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the Best.
He knew that you were suffering,
He knew you were in pain,
He knew that you would never
Get well on Earth again.
So He closed your weary eyelids
And whispered, "Peace Be Thine."
He then took you up to Heaven
With hand gentle and kind.
It broke our hearts to lose you
But you did not go alone.
For part of us went with you
The day God called you Home.
