Date: May 31, 2018

To: Camp Directors of the North American Division

From: Tracy Wood – NAD Camp Ministries Director

We are excited about the Summer Camp season that is upon us now and we know that you have worked hard to get your staff members hired and your volunteers committed for this summer. Also, it is a lot of work to get all the resources in place and every detail planned out and we are well aware of this too.

We are very excited about the network of AACP Members that we have across this division and of which you and your staff have chosen to be a part of again. Our membership list includes 60 camps, four Individual Members, and four Business Members. What an amazing network of camp professionals that we are a part of!

We will be collecting Camp Evangelism Reports again at the end of your summer camp season. Please plan to keep track of the items listed on the 2018 Camp Evangelism Report Form. This summer we will have two types of reporting – online reporting and hardcopy/email reporting. The online reporting will be up soon with a link on our www.AdventistCamps.org website.

We are praying for you as you begin this season of summer camp evangelism with your staff and volunteers. Be assured that God is with you and Jesus will speak to your campers this summer. Your camp is a special place where many will be inspired by the Holy Spirit to give their lives to Jesus. All the hard work and effort you exert will make a big difference in the lives of many young people and their families!

Praying prayers for God's blessings on you and your staff throughout this summer,

Tracy Wood Armando Miranda, Jr. Vandeon Griffin Gael Murray
Bill Wood Norm Middag
