God is AMAZING! Isn't He? It is always so surprising how masterfully He takes care of our needs.

As you know right at the start of school we lost our office manager. Since then you have seen many wonderful people helping to fill in. I cannot begin to tell you how grateful we all have been! Mrs. Bauman has been our main go to gal. She was kind enough to come back **once again** to help keep the office going and help train the many other faces you have seen behind those glass walls. Thank you, Tanya! We absolutely could not have survived the first month of school without you! We also have had Jon Weigley (yes, husband to Mrs. Weigley), Dafney Gilliland, Linda Villa, Patti Titus, and Karla Way help fill in. Every day has been a bit of a surprise to everyone...who will be in the office today? But God has truly blessed us with an amazing group of people who saw our giant need and have helped to fill it. Thank you ALL for putting your lives on hold to help us out. You have all done a tremendous job! But it is time... time for some consistency.

After a search for a new permanent face in the office, we have decided to fill the position with not one but two people. Yes, we are hiring two part time office workers. And we are thrilled to announce that Karla Way has accepted one of those two positions! Woohoo! You have seen her here working diligently already. Karla comes to us with many years of office experience and an eagerness to learn the ins and outs of our office. YACS is not new to her though. She has two grown sons who once attended YACS, and she is a past School Board member. Please stop by the office and introduce yourself! She is excited to get to know all of you.

We are still looking for our second face in the office though. So if you know of anyone who wants to work about 15 hours per week, can master our daily office routine, can competently get around a computer, is a great multitasker, and works well with children, please let us know! (Bilingual would be fantastic! Adventist church member is a must.) I have no doubt that God has just the right person in mind. Perhaps it is even y-o-u!
