I Miss You Always SISTER

My heart has been left broken, Since the day you had to go. And the memories I treasure dearly, Are in the tears that still flow. You're in my thoughts everyday and that's how it will always be. For you may be up in Heaven now, But you'll always be with me. If only I could have the chance, to see your face once more, or to hear your voice one final time, just like it was before. The day that Heaven calls for me, will be a relief from all this pain. I'll run to you with open arms and we will meet again.
