Vacation Bible School (VBS) is an exciting ministry our church has chosen to use to reach out to the families of our church and our neighborhood. Through VBS we are able to present Jesus in a unique way that portrays Him as real, fun and approachable.

There are several ways you can support our VBS program:

1) Time and talents - It takes a small army of volunteers to operate a successful VBS. We need Craft helpers, Group leaders, Drama team, Safety monitors, Decorators, Kitchen workers, Photographers ... and more. If you choose this avenue of giving, we have a place for you! **Please sign up at www.piedmontparksda.org, click on VBS**

2) Finances - You can help reduce the church's cost for VBS by giving donations of money and/or supplies or by loaning non-consumables. We will soon be posting a list of specific supplies needed. Be watching for more information.

3) Prayer - As with all ministries, prayer is our primary key for success. You can pray for the families that will attend, the staff who will be helping and the leaders that are currently putting all the details of this exciting program together.

So, how is God asking you to help? After prayerfully considering this question, go to our VBS website and look over the volunteer opportunities, applying for the position(s) that interest you. **www.piedmontparksda.org and click on VBS**

God will bless ALL efforts, large and small.

Tri-Color Slaw with Lime Dressing

Serves 8 at least

1/2 head green cabbage, cored
1/2 head red cabbage, cored
1 pound carrots, peeled and shredded
1 large bunch cilantro, leaves roughly chopped
3 limes, juiced (about 1/3 cup)
2/3 cup neutral oil, such as peanut or safflower
1 to 2 teaspoon sugar
Kosher salt and freshly ground pepper

Shred the cabbage finely in using a chef's knife, a mandoline, or a food processor's shredding blade. In a very large bowl, toss together the shredded cabbage with the shredded carrots and chopped cilantro.

Whisk the lime juice and oil together in a bowl or measuring cup, and whisk in the sugar. Toss with the slaw, and season generously with salt and pepper (it may need more than you think it will at first, and this salad definitely needs its salt!).

Best served within a day or two, cold from the fridge, but you can refrigerate it for up to 3 days or until it loses its crispness.
