Dear Parents,

Last Thursday we kicked-off our Fall Fundraiser! The packet came home with your child and provides all of the dates and details. Funds raised through this program are important to our school year's budget needs. Please help us raise funds for Music Choir Risers! In addition to having students take orders, you can also shop online. Online orders will be delivered directly to the customer's home or to the school if the order is local, and all online orders count towards prizes and tuition rewards for your child. So please forward this link or scan the QR code (as seen in the letter that was sent home with your child) to your family and friends.

Thank you again for supporting our school!
