Memories of Our Father

June Murphy (Daughter)

One of my favorite memories of my dad was when Dad and Grandpa Bradley went up to Big Bear and got a truck load of snow. They brought it home and mounded it on our front lawn so we could sled down it. We played in that snow for quite a while. Even the neighbor kids came over and played. Dad just stood there and watched us all play. He got Coolest Dad of the Year Award that day!

Sandra Lees (Daughter)

My memories with my daddy being able to spend time with him as a family and teaching us how to use a bow and arrow and how to shoot a gun. Taking us fishing and I always seemed to catch the fish and I didn't want to share them with anyone. Mom would cook them up and I would eat them. Taking us to the sand dunes and teaching us to drive the dune buggy. He taught us so much in life that I didn't even think that he was even teaching us how to be respectful and manners and how to treat others as we would want to be treated. Love you Daddy. We'll miss your smiling face when family was around.

Wendy Robertson (Daughter)

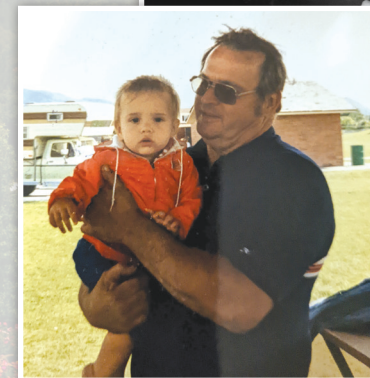

I will always remember the dune buggy club Dad was in and the trips to the sand dunes. Going out with him and playing buggy tag with all the others in the club

Stephen Bradley (Son)

One of my favorite memories with my dad was when we went duck hunting. I remember hunting with my dad when I was 7 or 8 and he saw a duck and handed me the shotgun and told me to shoot it. I took the shotgun and hurried and shot at the duck. I had the butt of the gun on my cheek and the gun kicked back and gave me a black eye. But I got the duck!

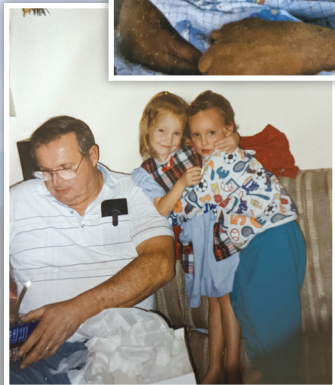

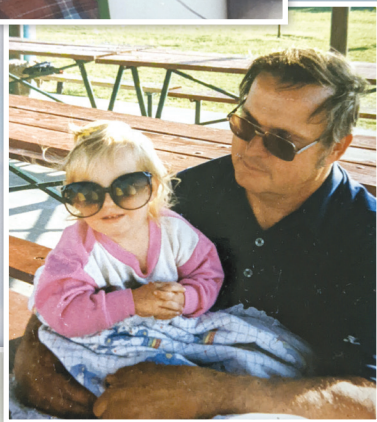

Jill Bradley (Daughter)

Every summer our family would go to Lagoon. And at the end of the night we would ride on the bumper cars until the park closed. We would all laugh so hard, and we all had fun as a family. But I remember how happy dad would be because it was our family together having fun!
