

“When I Must Leave You”

When I must leave you for a little while

Please do not grieve and shed wild tears

And hug your sorrow to you through the years

But start out bravely with a gallant smile

And for my sake and in my name live on

And do all things the same

Feed not your loneliness on empty days

But fill each waking hour in useful ways

Reach out your hand in comfort and in cheer

And I in turn will comfort you

And hold you near

And never, never be afraid to die

For I am waiting for you in the sky!
