About Me

With over 30 years in the public eye, Daniel has dedicated his life's mission to elevating human consciousness to inspire people to live their best life. Through the ThetaHealing Technique, Daniel has awakened intuitive abilities that have made him very prolific and skilled in zooming in on the core of that which needs to be transformed. He has witnessed countless healings and miracles in clients and students globally. In addition, he was deemed "The Child Whisperer" by Fashion Icon Donna Karan as she witnessed and supported Daniel as a teacher for The Spirituality For Kids Foundation, which he also helped to create. Shortly thereafter he was instrumental in developing a complimentary teen program and was invited to teach the curriculum to incarcerated teens at Rikers Island Jail in New York. Those experiences remain an integral part of his mission today.
