Announcements

The Waddington and Hawkins families would like to thank Piedmont Park members and friends for their prayers and support over the last weeks during Carol Waddington's passing. Because of the current pandemic there will not be a funeral dinner after the funeral service. It is often customary to bring food to the house of the family to lighten their load during this time of grief, however because of the pandemic and because of the food intolerances & special dietary needs of the family, we would like to suggest that those who would like to help in this way would give a monetary offering or a Super Saver gift card in lieu of providing or delivering physical food. In general, monetary donations would be most helpful and appreciated both for assistance with meals and funeral expenses. Please give your donation through a Tithe envelope or in your sympathy card. Thank you for your generosity and kindness.

Women's Ministries is planning to prepare supper for the 24 women in transitional housing at Fresh Start Home, 6433 Havelock, Ave., on Sunday evening, July 19. Looking for 4 volunteers to help prepare a tasty summer supper. We will be dropping off the food at 5:30pm and not staying to serve. If you can help, please contact Carol Leonhardt at 402-310-7493 or caleonha@gmail.com.

Please let the church office know if you would like a visit from one of our pastors. They would be happy to come see you!

Please let the church office know if your contact information changes. If you'd prefer not to have contact information in the directory, you can let us know as well, but we'd like to have your information so we can get in touch with you, if need be. If you aren't receiving emails from the church and would like to, let Kendra know and she'll add you to the list.

Last week the city of Lincoln changed its Covid 19 threat level back to Orange. This includes a statement that recommends groups of no more than 10 people meeting. Since our worship service attendance in the building has been above 10, the members voted Monday, July 13, to again suspend holding worship service in the building at this time. The feeling of the majority was that we need to do our best to follow safety guidelines for our members and for our community. We will return to worship in the building when the threat level lowers back to yellow.
