Hi Courtney,

Welcome to PSCSW! You now have full website privileges and access to all the member benefits we offer, here is a link [Members](#). Check out our upcoming member events on our [Calendar](#). Your username is the email you signed up with ccohen79@gmail.com. I set your password to Cohen2020, please login and change it when you have a chance.

You should also be receiving emails from the Listserv, which is a great way to hear about upcoming affiliate programs, co-sponsored events and stay connected to your colleagues. You can post to the Listserv at PSCSW@mail-list.com. If you have any questions please contact me and I would be happy to help.

Thanks,

Kristina Snyder
