## What is a Dad?

*A Dad is someone who wants to  
catch you before you fall,  
But instead picks you up, brushes you off,  
and lets you try again,  
A Dad is someone who wants to keep  
you from making mistakes,  
But instead lets you find your own way,  
even though his heart breaks in silence.  
When you get hurt, a Dad is someone who  
holds you when you cry,  
scolds you when you break the rules,  
Shines with pride when you succeed,  
and has faith in you when you fail.*
