Thank you for your support through membership with the Natural Health Practitioners of Canada (NHPC).

You may apply to change to regular membership in the future if you have completed an NHPC recognized program. Regular members can include their NHPC member number on receipts for client insurance claims.

As a regular member, you would be eligible to participate in the NHPC Medical Malpractice Insurance Program for any NHPC recognized disciplines or specializations for which you submit a certificate of completion. At that time, you would also be eligible to participate in the NHPC Commercial General Liability Insurance and NHPC Contents Insurance programs offered to members.
