Benediction

*Miss me a little,
but not for long
And not with your head
bowed low
Remember the love
that we once shared
Miss me, but let me go
For this journey we
all must take and each
must go alone
Its all part of the
master plan
A step on the road to
home*

Thanks For Everything

You shared your time, even when you had so many things to do. You shared your strength, even when you could have used a rest. You share your wisdom, even when it wasn't listened to. But, most of all you shared your love, and mom you shared your very best.
