### Live Streaming Worship!

Worship will come to your living rooms, family rooms, and maybe front porches, again this Sabbath. While this may not be our most preferred method of worshipping together, aren't we blessed that our pastor and others in our church were already on the ball with live streaming technology! It would be wonderful to be able to share a hug or two, or a handshake and a slap on the back, but we are thankful for the opportunities we have!

We will be live streaming a Sabbath School Lesson discussion once again starting at 10:00 on Sabbath. The pastor will bring the morning message starting at 11:00. You can log on to North Valley SDA Church YouTube site at 11:00 for just the morning message or you may log on to the North Valley SDA Church Facebook page and see the link for live streaming of the Sabbath School discussion and the morning message at 10:00 and 11:00, respectively.

Let's stay connected! Let's worship together!

### Essential Businesses Only in VA

As the federal and local authorities call for all businesses to close with the exception of those determined to be essential, let's pray for our members who are employed by those essential businesses. Many are working from home, but quite a number are still going to work each day including those working in healthcare, pharmacies, grocery stores and restaurants serving take out and delivery.

We thank our members in these places and offer prayers for special protection for each of them as they come in contact with the "public!" Here are some of the folks we need to remember in prayer each day:

Becky, Brittney, Doris, Dwayne, Fredrick, Hannah, Hunter, James, Jamie, Jeff, Kofi, Lea, Lee, Marc, Mark, Novia, Robert, Ryan, and others!

*"Anyone can rejoice when things are going reasonably well. But when we're facing adversity or sickness or hardship or death and then we rejoice, we are obeying God. God is on his throne. He loves you and is watching out for you. So rejoice in the Lord."*

Greg Laurie, Pastor

### Who is out of school??

The students of Roanoke Adventist Christian School are continuing their studies in spite of COVID-19 Virus.

Carole Smith and Kim Landes have been preparing weekly study kits and have set up interactive learning times with the students.

One project the students have been working on is an in-depth study of notable individuals that helped shape our country. Hopefully the students will have an opportunity to share with all of us as they bring those characters to life during Biography Night. Stay tuned for more info regarding dates and times if that becomes possible.

The school is continuing to recruit students for next school year and any interested parents can call the school at 540-798-6061 or complete an interest form on the school's website - Road2School.com.

Please continue to pray for our students and their families as well as our teaching staff during these challenging and unpredictable times.
