

## Finding a Home

By God's amazing, loving providence, Tim found out that the Amazing Facts broadcasts were coming from Pastor Doug's church in Sacramento, the city where he was living. "I made plans to visit the very next Sabbath. I really wanted to meet Pastor Doug, the man who had helped me understand Bible truth."

It's clearly no coincidence that an Amazing Facts evangelist would also be presenting a full Bible prophecy seminar. Tim gladly attended the series to reinforce what he was learning, and at the end of those meetings, Pastor Doug baptized Tim, who says, "It was one of the most wonderful days of my life."

God also called Tim, now armed with solid Bible truth, back to preaching ministry. He even attended the Amazing Facts Center of Evangelism for further training and served as one of our evangelists for

eight years! Today he serves as a pastor in Colorado for God's remnant church. God is truly an awesome God!

Tim joyfully shares about the time he was asked to teach one Sabbath at Pastor Doug's church, "As I was giving my testimony of how I was in darkness and found Amazing Facts on TV, I suddenly realized that I was standing in the exact same spot Pastor Doug had been standing when I learned these precious truths. It nearly brought me to tears. God has truly brought me out of darkness into His marvelous light."

Thank you for being there for Tim along this incredible journey of faith!

I had finally found answers to the questions that were lingering in my mind. I was like a dry sponge that finally found water.
