

Mrs. Wessman's Class

Volume 19, Issue 3

September 14, 2020

Timelines

Our first social studies unit is going to be about timelines. We'll read a book about the Wright Brothers and make a timeline together showing how they developed their flying machine. Your children will be making their own personal timeline later. Please return the Timeline Information sheet right away so I can prepare the information the kids need. Thanks!

Lunch

We've decided to eat lunch in our classroom or out on the grass to simplify our lunch period. We're enjoying the outdoor picnic experience during the good weather, and when it gets too cool, we'll eat indoors and listen to stories while we eat. If your child is bringing cold lunch, please be sure to send plastic utensils as needed since we don't have those available in the class-

Calendar

- Sept. 17- Jacob's VIP
- Sept. 24- Isla's VIP
- Oct.. 7- Teacher In-service, 1/2 day

Reading Groups

We're beginning reading groups this week, but are going to find ways to do it without a group! Your child's grouping may change, depending on developing reading ability and focus.

Word of the Week

RESEMBLE

Spelling Words

None this week. They're coming soon!

Overdue Library Books

Library begins next week. Mrs. Campbell will be bringing around an assortment of books for the kids to choose from.

This Week -

We're continuing to learn about creation in Bible. Our next memory verse is: "Then God looked over all he had made, and he saw that it was very good!" Genesis 1:31 We're also making a fun creation book!

Take Home Folders

Thanks for remembering to look at your child's work and for sending the green folder back each day. This is one of the best ways for you to know how your child is doing in school.
